Occupation: Student

“How can i buy snacks in the high crowd and go to the theatre on time”

Goals

- To Digitalize all the payments at the shops in the theatre.
- To build a snack ordering app to get snack to the seats in the theatre.

Frustrations

- Faces payment issues.
- Finds difficulty to buy snacks in high crowd.

Aditya went to a movie with his family and during the interval he want to buy snacks for his family members, he observed a huge amount of crowd at the snacks and when he gets the chance he faces payment issues.
